

Our graduates go on to impact the world...

248 Respondents / 281 Graduates

Animal Physiology

(10 Respondents / 12 Graduates)

Health & Medicine (3)

MD (1): Case Western Reserve

DVM (2): Cornell (2)

Graduate School (3)

Master's (2): Public Health – Columbia;

Bioethics – UC San Diego

PhD (1): Biomedical Sciences - UC San Diego

Gap Year (4)

Research; Principal Lab Technician – Rutgers; Medical Scribe/Tutor; Employment

Biochemistry

(10 Respondents / 12 Graduates)

Health and Medicine (1)

MD (1): Stony Brook

Graduate School (4)

Master's (2): Engineering Management – Cornell;

Education – University of Michigan

PhD (2): Chemistry – Stanford;

Plant Biology – Michigan State

Gap Year (5)

Research (3); Research/Medical Scribe/EMS; Unspecified

Computational Biology

(10 Respondents / 12 Graduates)

Health and Medicine (1)

MD/PhD (1): Washington University at St. Louis

Graduate School (1)

PhD (1): Bioinformatics – UC Los Angeles

Employment (1)

Huron Consulting Group

Other (1)

Applying to Software Engineering Positions

Gap Year (5)

Cru – Intern; Research (3); Work at Stanford

Unknown (1)

Systematics & Biotic Diversity

(1 Respondent / 1 Graduate)

Gap Year (1)

Research Associate – Broad Institute

Ecology and Evolutionary Biology

(15 Respondents / 19 Graduates)

Graduate School (3)

Master's (2): Epidemiology – University of Massachusetts at Amherst;

Ecology & Evolutionary Biology – University of Michigan

PhD (1): Biology – George Washington University

Employment (2)

Non-Profit based out of Rutgers; Catalina Island Conservancy

Other (2)

Job Search (2)

Gap Year (7):

Research; Research/Work; Wildlife Biologist; Employment (2); Unspecified (2)

Unknown (1)

General Biology

(71 Respondents / 85 Graduates)

Health and Medicine (9)

MD (8): Albert Einstein College of Medicine; Louisiana State University; Weill

Cornell (2); University of Buffalo; SUNY Upstate (2); New York Medical

College

PA (1): Marist College

Graduate School (4)

Master's (2): Journalism – Northwestern; Computing & Information Science –

Cornell

PhD (2): Neuroscience – UC San Francisco; Biomedical Sciences – Yale

Employment (7)

Triage Consulting Group; Yosemite National Park; The Raptor Trust; Cornell

University Insect Collection; Navigant; Cornell Department of Natural

Resources; Lazard

Other (4)

Job Search (2); Freelance Reporting in Venezuela; Biking across the USA

with a Non-Profit

Gap Year (39)

Research (14); Teaching English; Medical Scribe (2); Study for MCAT (2);

NIH (2); Employment (7); Playing Professional Hockey; Medical Assistant (3);

Pfizer Associate Scientist; Digital Marketing; EMT; AmeriCorps;

Research/Shadowing; Study for MCAT/Pursue Master's; Working at Microsoft

Unknown (8)

Microbiology

(13 Respondents / 14 Graduates)

Graduate School (2)

Master's (1): Unspecified – University of Cambridge

PhD (1): Microbiology – Oregon State University

Gap Year (9)

Research (6); Medical Assistant; Teach for America; Lab Manager

Unknown (2)

Genetics, Genomics, and Development

(23 Respondents / 23 Graduates)

Health and Medicine (2)

MD (2): St. Louis University; Hong Kong University

Graduate School (3)

Master's (2): Anatomy – Tulane;

Genetic Counseling – University of Pennsylvania

PhD (1): Genetics & Development – Columbia

Employment (2)

Engineering Officer – US Army; Unspecified

Gap Year (15)

Research (6); Working at a Biotechnology Start-Up; Medical

Scribe/EMT; Medical Scribe; NIH (2); Clinical Work;

Working for CASA (Community Action for Safe Apartments);

Clinical Work; Employment; Unspecified

Unknown (1)

Human Nutrition

(16 Respondents / 20 Graduates)

Health and Medicine (1)

MD (1): California Northstate University College of Medicine

Graduate School (2)

Master's (2): Public Health – Columbia; Biomedical Sciences –

Unspecified Institution

Employment (1)

Bain & Company

Gap Year (10)

Research (4); Medical Coding; Medical Assistant;

Scribing/Master's/EMT; Consultant; Medical Scribe (2)

Unknown (2)

Insect Biology

(1 Respondent / 1 Graduate)

Graduate School (1)

PhD (1): Entomology – Texas A&M

Marine Biology

(4 Respondents / 5 Graduates)

Graduate School (1)

Master's (1): Education - Columbia

Gap Year (1)

Unspecified

Employment (1)

2nd Lieutenant – US Army

Unknown (1)

Neurobiology and Behavior

(51 Respondents / 54 Graduates)

Health and Medicine (8)

MD (7): UC Davis; NYU; Harvard/MIT; University of Rochester; Cooper Medical School of Rowan University; Case Western Reserve; Albert Einstein College of Medicine

MD/PhD (1): Drexel College of Medicine

Graduate School (6)

Master's (4): Public Health – Cornell; Teaching – University of Louisville; Translational Biomedical Research – University of Cambridge; Genetic Counseling – University of Central Florida

PhD (2): Biomedical Sciences – University of Massachusetts; Biology – Rensselaer Polytechnic Institute

Employment (3)

IBM; University of Massachusetts at Worcester; Unspecified

Gap Year (32)

Research (11); Medical Scribe (3); Drug Policy Research; Bioethics Research; Health Informatics Research; Dance/Research; NIH IRTA (Intramural Research Training Award) (2); Modeling; Employment (2); Research Abroad; Post-Bacc in Communication Sciences and Disorders; Teaching; Applying to PhD Programs/Working as a Lab Tech; Working at M&T Bank; Teaching in Buenos Aires; Unspecified (3)

Other (1)

Ministry Work with Cru

Unknown (1)

Molecular and Cell Biology

(23 Respondents / 23 Graduates)

Health and Medicine (4)

MD (4): Columbia; University of Michigan; NYU; University of Massachusetts

Graduate School (4)

PhD (4): Molecular & Cell Biology – UC Berkeley;

Biology – University of Pennsylvania;

Cell & Molecular Biology – Duke;

Unspecified – Weill Cornell Medical College

Gap Year (14)

EMT/Hospital Volunteer; Teaching Autistic Children; Medical Assistant; Clinical Assistant (2); Research/Scribing; Research (6); Working at US Department of Defense; Scribing/Advocacy Work

Unknown (1)

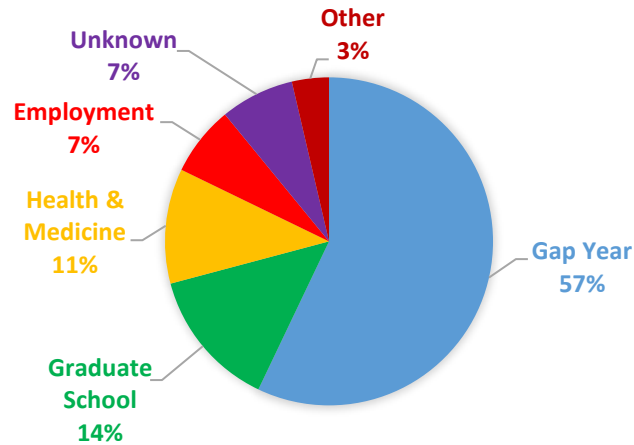

Plant Biology

(0 Respondents / 0 Graduates)

*88% of our graduates responded to our 2019 Senior Questionnaire.

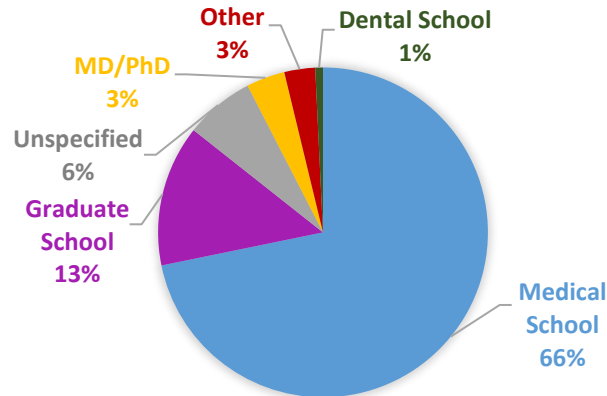

Where Do Our Graduates Go?

POST-GRAD PLANS

*Many of our graduates take a gap year before continuing with their career plans. Their post-gap year plans are outlined below.

POST-GAP YEAR PLANS
